CHERYL'S CHATS

Can you believe that it's already December! We are well into the Holiday Season and our Christmas Rally is in just a few days. The November Rally was a lot of fun, we played games, enjoyed pies, and everyone joined in on fixing dinner Saturday night.

Thursday night the grill group had about 24 people enjoy the food and fellowship. For dessert, a few played "What would you do for a Klondike bar"? We had people commit to doing dishes, help with decorating, picking up limbs and one to sign or sing "God Save the Queen", thanks to our Canadian hostess, Margaret Skells.

Unit Sec. Mary Potter and Pres. Cheryl work on clarifying minutes of the General Membership meeting.

Reservations for Rallies - Please call the Host, (850) 256-3280 or Cheryl (850) 994-0296, three days prior so food can be purchased.

Friday morning was filled with getting the clubhouse ready for the rally. Thanks to all the ladies who helped decorate. A special THANKS to Leslie Randall for planning some fun games. The lunch bunch headed out at 11:00 for the Panhandle. By the time we sat down to eat we had 24 people. The afternoon was spent playing games, getting a new puzzle started and just enjoying being at Mystic Springs. Friday night dinner was a warm bowl of chili and PIE for dessert. After dinner a "gobbling good time" was had by all at Turkey Bingo. Can you say gobble-gobble?

Saturday morning started with a pancake and sausage breakfast cooked by our great team of cooks. The afternoon was spent playing games and doing some work around the park. Leslie and Cheryl got the evening started with a

Thanksgiving relay with some shooting, plucking, peeling and serving that faux Thanksgiving meal. Dinner was ham, all kinds of sides and more PIES than you could count. Tony said the pecan pie was the best. After stuffing ourselves like turkeys, we played some Thanksgiving trivia.

Please join us for Thursday night Dec. 7th and see what fun is in store for the evening.

Report from the General Meeting:

The meeting was called to discuss establishment of an annual park membership fee of \$30. After much discussion the membership passed a motion to suspend the one time fee of \$35 and then passed the motion to establish an annual \$30 fee to be used for park maintenance. We also passed a motion that all who pay the annual fee will be charged the current nightly rate and all others will pay a \$5 additional nightly fee.

Ed. Note: We enjoyed a Sunday morning devotional led by Terry Ogle. Jim Hicks led the music. He and his wife, Carol, sang a beautiful duet. Carol played the organ Sunday and also on Saturday night. Members joined in singing hymns. We hope they, and Joan Ogle, can come again for the next Buddy Rally. We appreciate you all!

An intense card game is in progress with Carolyn, Mary, Abby, and Vickey participating.
